MANULATEX FRANCE
Bien plus que la sécurité

DÉCLARATION ALIMENTAIRE

The manufacturer :

MANULATEX - France SAS - 1 Rue du Mille - 49123 Champtocé-sur-Loire

Certifies that **the products for professional use** described below comply with the following standards:

- Range of chainmail gloves: **WILCO and WILCOFLEX**

The stainless steel used in the manufacture of the chainmail that forms the gloves complies with the following requirements:

- **NF A 36-711** Standard requirements about « Stainless steel intended for use in contact with foodstuffs, products and beverages for human and animal consumption » (non-packaging steel)
- **Order of 13 January 1976** relating to stainless steel materials and objects in contact with foodstuffs

.

This compliance is given on the condition that storage, handling, and usage conditions are met as recommended by Manulatex France in its technical documentation or instructions or in the sales offer for this equipment. In the event of changing the physical-chemical properties of the foodstuffs in contact with the material, modifying these foods, modifying contact conditions (temperature, duration, etc.) and in the case of modifying procedures, cleaning, or disinfection conditions, modifying the material or the equipment, the recipient of this declaration must make sure that the material or equipment quoted in the reference is still suitable for use.

This compliance declaration was drawn up based on the following elements :

- ☑ Declaration(s) from primary material suppliers
- ■ Overall migrations tests
- ■ Others
